

Appendix C—Performance (Differential Pressure vs. Capacity) D-Model (Direct-Mount) and F-Model (Frame-Mount) Pumps

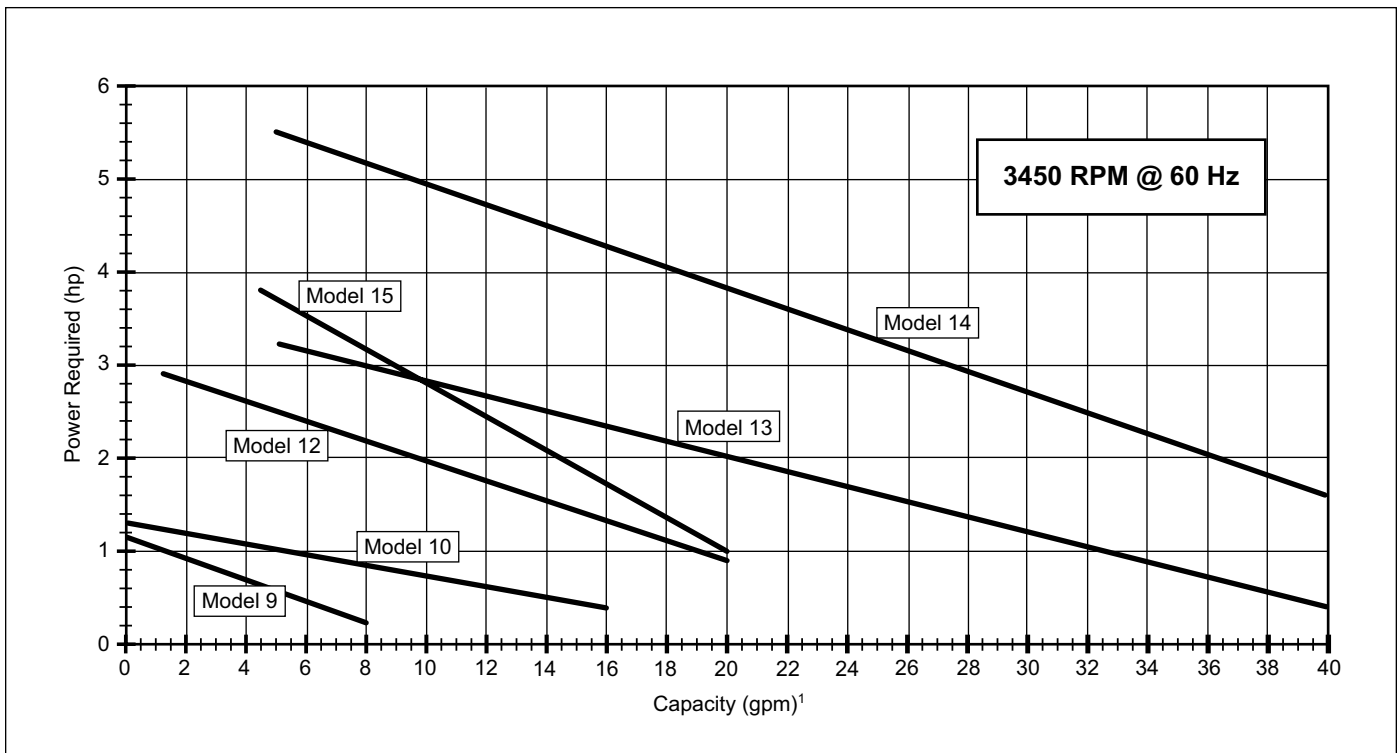

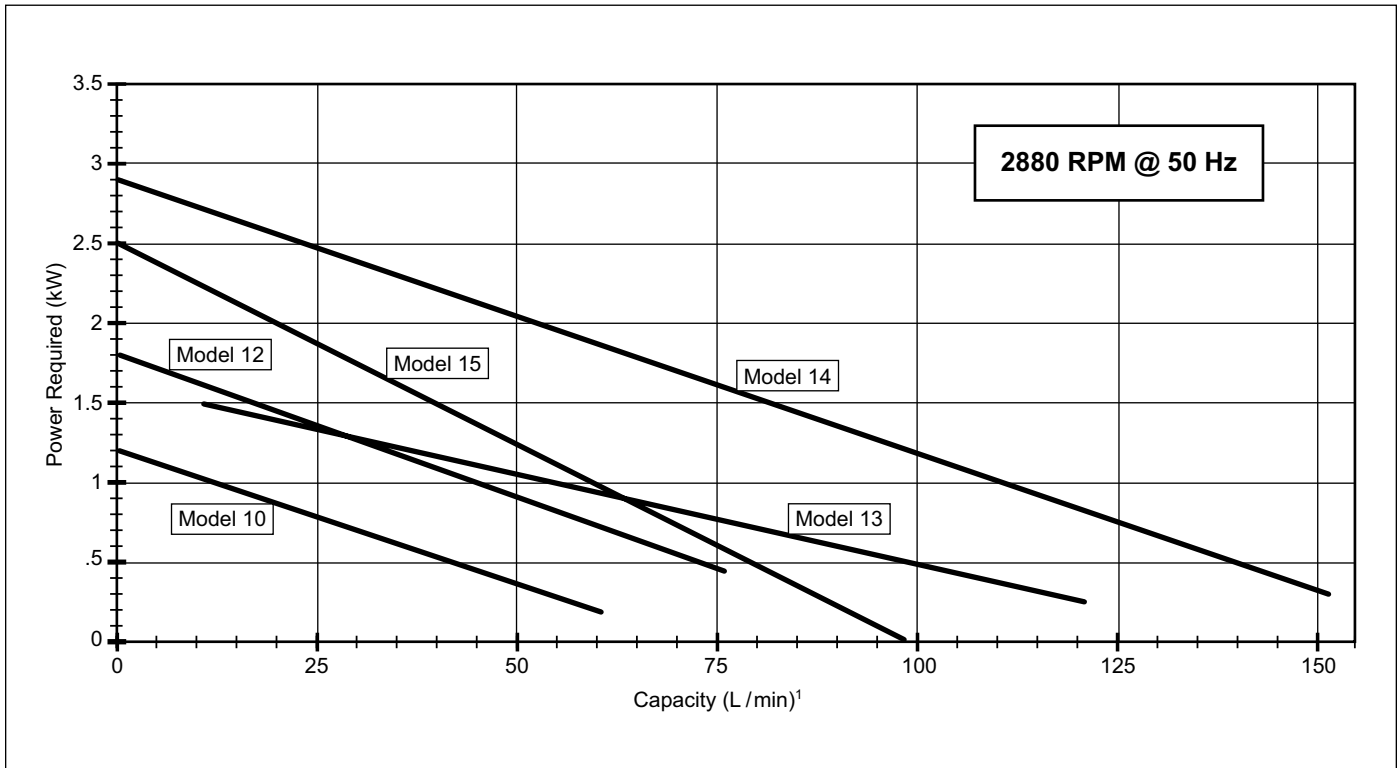

All DL-, DLF-, DS-, DSF-, F-, and FF-Model Pumps

¹ The performance curves are based on aboveground LPG installations. Performance curves for underground LPG tanks will vary based on the specific installation. Consult factory.

Appendix C—Performance (Power Required vs. Capacity) D-Model (Direct-Mount) and F-Model (Frame-Mount) Pumps

All DL-, DLF-, DS-, DSF-, F-, and FF-Model Pumps

¹ The performance curves are based on aboveground LPG installations. Performance curves for underground LPG tanks will vary based on the specific installation. Consult factory.
