March 25, 2020

Dear Valued Customer,

As you may be aware, in response to the COVID-19 coronavirus, the governor of Oklahoma issued an executive order requiring non-essential businesses in the state to close for 21 days, beginning on Wednesday, March 24, 2020.

This new order does not affect Corken.

As an essential business providing important products to the critical energy, transportation, and agricultural markets, Corken will continue to operate. We remain committed to providing safe and high-quality products to our customers, on time, every time.

We continue to monitor the global outbreak, and our comprehensive risk mitigation plans are in effect. The health and safety of our employees and communities remains our top priority.

As always, rest assured that we will continue to monitor the situation and update you as things change. Please do not hesitate to reach out to us with any questions.

Regards,

A handwritten signature in blue ink, appearing to read "Art Laszlo".
